About Us

PT Hansha Fiamda Lokantara is an Indonesia-based trading and export company specializing in premium agricultural commodities. We proudly offer selected high-quality Indonesian products, particularly vanilla, coffee, and cocoa, sourced from the finest producing regions across the country.

Our products are carefully sourced from trusted local farmers and suppliers throughout Indonesia, regions recognized for their distinctive aroma profiles, superior quality, and authentic flavor characteristics.

Driven by quality, consistency, and professionalism, we focus on creating and introducing premium Indonesian agricultural products to the international market. We believe Indonesia's natural commodities possess exceptional potential to compete globally and become trusted products worldwide.

Through long-term partnerships and strong quality standards, we aim to contribute to the growth and global recognition of Indonesia's finest commodities.

Vision & Mission

Vision

To become a trusted and globally competitive Indonesian export company in delivering premium-quality agricultural commodities to international markets.

Mission

- To provide premium-quality agricultural products with consistent international standards.
- To establish long-term partnerships with farmers, suppliers, and global business partners through professionalism and sustainability.
- To introduce Indonesia's finest commodities to international markets through exceptional quality and service.
- To support the growth of local agricultural products by increasing their global value and competitiveness.
- To conduct export and trading activities professionally, reliably, and with a strong commitment to customer satisfaction.

OUR COMMITMENT

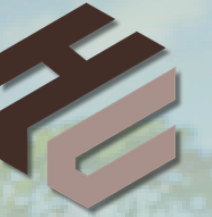

We believe that product quality and business trust are the foundation of long-term partnerships. Therefore, we continuously maintain product consistency, timely delivery, and professionalism in every business transaction.

Quality & Export Standards

- Phytosanitary Certificate
- Certificate of Origin (COO)
- Fumigation Certificate
